How can this workshop help me?

This six-session workshop can help you learn new ways to deal with issues such as:

- Feeling Pain
- Eating Well
- Managing Stress
- Feeling Tired or Sad
- Using Medications
- Solving Problems
- Setting Goals
- Talking with Your Doctor
- Planning for the Future

Spectrum Generations is an Equal Opportunity Provider. If you require special accommodations, including language, translation, etc., please notify us at least two weeks prior to the event.
