Health Insurance Marketplace and You

HealthReach offers trained staff to help patients and the public sign up for the Health Insurance Marketplace

The HealthReach Certified Application Counselor (CAC)

- Helps you apply for insurance through the Health Insurance Marketplace and assists with Medicaid (MaineCare) applications and renewals
- Offers FREE and confidential assistance
- Respects your best interest by providing unbiased information about the Marketplace and insurance companies

MaineCare (Medicaid)

Expansion in 2019 changed eligibility requirements for MaineCare. Learn about the guidelines if you or your children are not currently insured. Applications may be submitted at any time.

Special Enrollment in the Marketplace

This may be a possibility when circumstances change such as:

- Moving
- Losing your current coverage
- Marriage or change in household size
- Birth or adoption of a child
- Other changes

If unable to qualify for a special enrollment, ask to be screened for an exemption.
