HealthReach Community Health Centers Welcomes Bridgett Fisher, FNP

WATERVILLE - HealthReach Community Health Centers welcomes Bridgett Fisher, Family Nurse Practitioner, to the team of per diem providers who fill in as needed to provide uninterrupted medical care at 11 health centers.

Bridgett received a Master of Science in Nursing degree from Husson University in 2011 and works with patients of all ages in primary care. Previously, she obtained a Bachelor of Science degree in Nursing from University of Maine, Fort Kent and worked in emergency care for twelve years. She also served in the United States Air Force as an Aerospace Physiology Specialist.

Her clinical areas of interest include: Women's Health and Preventative Care/Health Promotion. Bridgett recently shared her philosophy of care: "I have had the opportunity to take care of people from diverse backgrounds. I have learned the importance of providing holistic care to my patients. This type of care reflects my personal philosophy. Knowing that I can apply my personal experience and participate in client's recovery and wellness gives me a sense of personal pride, which strengthens my commitment to this profession. With the advance knowledge and skills, both in nursing and related fields, nurse practitioners have the capability to make a valuable contribution to the client through HealthReach Community Health Centers. Through health promotion and preventative care, our population receives excellent care, which enhances positive health care outcomes."

Bridgett Fisher, FNP

HealthReach Community Health Centers is a system of eleven federally qualified health centers in Central and Western Maine. Dedicated providers deliver high quality health care to citizens in over 80 rural communities. To ensure access for everyone, HealthReach accepts Medicare, MaineCare and major insurances. In addition, we offer an Affordable Care Program to uninsured and underinsured residents and assist with applications for other programs that help with the cost of health care and medications including the Health Insurance Marketplace. A private, non-profit with a 41-year history, HealthReach is funded by patient fees, grants and individual donations.
