FOR IMMEDIATE RELEASE

Dentist Joins Bingham Area Dental Center

Dr. Dmytruk Will Provide General Dentistry Until Dr. Tamar Diamond Returns

BINGHAM - Beginning in January, Vyacheslav Dmytruk, DMD, will be joining the team at Bingham Area Dental Center to provide general dentistry. He will be working two days per week - Wednesdays and Fridays - until Dr. Tamar Diamond returns in the spring.

Dr. Dmytruk obtained a Doctorate of Dental Medicine at Tufts University School of Dental Medicine in 2014 and has been providing comprehensive oral healthcare in central Maine since graduating. He brings experience in providing dentistry to geriatric, pediatric and special care needs' populations. Previously, he completed a Bachelor of Science degree at University of Maine Orono in 2008.

"I am extremely happy to be part of the dental team in Bingham Area Health Center and I am looking forward to helping provide comprehensive care," shared Dr. Dmytruk. "My approach to dentistry is to take care of patients' immediate needs and to educate them on how and what they can do to maintain and improve their oral health now and in the future."

Dr. Dmytruk will be joining hygienists Marie Doucette and Jacquelyn Watson-Arsenault to provide oral healthcare to people of all ages. At the health center, Patricia Nurse, FNP, and Carol Eckert, MD, offer medical care. The center serves over 2,500 people from Bingham, Caratunk, Embden, Moscow, Pleasant Ridge, Solon, and surrounding towns each year.

Bingham Area Health Center is part of HealthReach Community Health Centers, a group of eleven Federally Qualified Health Centers in Central and Western Maine. Dedicated providers deliver high quality medical and behavioral health care to citizens in over 80 rural communities. To ensure access for everyone, HealthReach accepts Medicare, MaineCare and major insurances. In addition, an Affordable Care Program is available to uninsured and underinsured residents as well as assistance with applications for programs that help with the cost of health care and medications including the Health Insurance Marketplace. A private, non-profit with a 41-year history, HealthReach is funded by patient fees, grants and individual donations.
