HealthReach Community Health Centers Welcomes Diane Zavotsky, MD

WATERVILLE - Connie Coggins, President/CEO is pleased to announce the appointment of Diane Zavotsky, MD to the per diem provider team of HealthReach Community Health Centers. HealthReach maintains a pool of fill-in providers to provide uninterrupted care to patients when site providers are in training or on leave.

Dr. Zavotsky brings over 25 years of experience in family medicine, women's health, and emergency medicine. She obtained her Doctor of Medicine and Master of Surgery degree at McGill University Faculty of Medicine, Montreal, Quebec, Canada in 1986 and subsequently completed Family Practice Residency at Central Maine Medical Center, Lewiston Maine. Previously, she was awarded a Bachelor of Art degree in Biology at Colby College, Waterville, Maine. Her clinical areas of interest include the full scope family medicine. Dr. Zavotsky recently shared her thoughts on joining HealthReach: "I believe in the power of having a trusting relationship with a primary care provider so that the patient and the physician can partner together. As a per diem provider I won't exactly fill that role, but hope that I can support the full time providers who work in the health centers when they can't be there, so that they can feel confident that their patients will be cared for during those times."

Diane Zavotsky, MD
