Food-for-All Farm Stand Makes Fresh Produce Accessible in Rural Maine **Farm Stand Series at Bingham Area Health Center on August 11**

BINGHAM - Bingham Area Health Center will host a low-cost farm stand sponsored by the Maine Federation of Farmers' Markets and Good Shepherd Food Bank. The cost of the food is subsidized by the sponsoring organizations and payment will be accepted in cash and EBT.

The Food for All Farm Stand is geared toward creating an alternative food access model that will make fresh local produce available and affordable for rural Mainers who are low income or use SNAP benefits. **The farm stand will be open from noon to 4:00 PM on Thursdays for six consecutive weeks on the following dates:**

- August 11
- August 18
- August 25
- September 1
- September 8
- September 15

Fresh, local produce will be provided by Sweetland Farm in Starks and various other local farms as needed.

"Our goal with this event is to create a win-win distribution model where local farmers are fairly compensated for their product and low-income Mainers have access to fresh, local produce," said Connie Coggins, President and CEO of HealthReach Community Health Centers.

Representatives from MaineGeneral RSVP (Retired Senior and Volunteer Program), Somerset Public Health, and Bingham Area Health Center will also be on hand to provide information on topics including volunteer opportunities for seniors, wellness and nutrition, and health insurance reenrollment.
