FOR IMMEDIATE RELEASE

## **Find Common Ground with HealthReach**

UNITY – Stop by the Health and Healing tent at the Common Ground Country Fair to visit HealthReach Community Health Centers' table. All fair-goers are encouraged to stop by to meet providers, staff and board members and receive health tips, free giveaways, and information about saving money on health care.

HealthReach sites provide family health and dental care to 29,000 people each year. A Behavioral Health Specialist is at each facility to offer on-site mental health services. HealthReach has locations in Albion, Belgrade, Bethel, Bingham, Coopers Mills, Kingfield, Livermore Falls, Madison, Rangeley, Richmond, and Strong.

“We are looking forward to meeting everyone at the Common Ground Fair and letting them know that all of our health centers provide essential preventive services that can lead them and their families on the path towards wellness,” says President and CEO Connie Coggins. “We support Common Ground’s mission and we appreciate the opportunity to represent community health care at the fair.”

To learn more about HealthReach Community Health Centers, visit [www.HealthReachCHC.org](http://www.HealthReachCHC.org).

HealthReach Community Health Centers is a system of eleven federally qualified health centers in Central and Western Maine. Dedicated providers deliver high quality healthcare to citizens in over 80 rural communities. To ensure access for everyone, HealthReach accepts major insurances, Medicare and MaineCare. In addition, HealthReach offers an Affordable Care Program to uninsured and underinsured residents and assist with applications for other programs that help with the cost of health care and medications including the new Health Insurance Marketplace. A private, non-profit organization with a 39-year history, HealthReach is funded by patient fees, grants and individual donations.
