FOR IMMEDIATE RELEASE

HealthReach Community Health Centers Welcomes Joseph Sorbello, PA

WATERVILLE - Joseph Sorbello, PA will be joining the per diem provider team of HealthReach Community Health Centers in May. HealthReach is a system of 11 community health centers that provide medical care in central/western Maine communities. The organization maintains a pool of fill-in providers to provide uninterrupted care to patients when site providers are in training or on leave.

Sorbello has been providing physician assistant services in Maine since the late nineties in surgical and urgent care settings. He obtained a bachelor's degree at the Physician Assistant program at Kings College, PA in 1993 and completed a post graduate cardiothoracic surgery residency at the Mayo Clinic, MN in 1994. In addition he participates in an annual mission providing medical care to rural regions of the Dominican Republic and Haiti while mentoring nursing and allied health professionals.

Sorbello shared that he enjoys spending time in Western Maine and is pleased to have the opportunity to provide medical care as needed at several area health centers.

HealthReach Community Health Centers is a system of eleven federally qualified health centers in Central and Western Maine. Dedicated providers deliver high quality health care to citizens in over 80 rural communities. To ensure access for everyone, HealthReach accepts Medicare, MaineCare and major insurances. In addition, we offer an Affordable Care Program to uninsured and underinsured residents and assist with applications for other programs that help with the cost of health care and medications including the Health Insurance Marketplace. A private, non-profit celebrating a 40-year history, HealthReach is funded by patient fees, grants and individual donations.
