## HealthReach welcomes new Physician Assistant, Jessamy Hathaway

**Bethel** – This June, staff at Bethel Family Health Center are pleased to welcome Jessamy Hathaway, licensed Physician Assistant, to the team.

Jessamy earned her Master’s degree in Physician Assistant Studies from Bay Path University in Massachusetts. Previously, she earned her Midwifery Certificate from Birthwise Midwifery School in Bridgton, and her Bachelor’s degree from the University of Maine at Orono. Jessamy has a wealth of experience in women’s health, along with a variety of other specialized fields within healthcare – including emergency care.

Jessamy shares, “I believe that an open and trusting relationship between patients and healthcare providers is essential to promote the wellbeing of any community. I enjoy providing individualized care in a supportive environment. I encourage my patients to take an active role in achieving their healthcare goals through both education and shared decision making.”
