## Drive for School Supplies at Lovejoy Health Center

ALBION – Lovejoy Health Center will hold a drive for new school supplies in celebration of National Health Center Week starting Monday, August 10 and ending Friday, August 28. All donations from the community will be brought to Albion Elementary School in an effort to supply students with the tools they need to learn and grow in the classroom.

Some of the most needed classroom supplies include No. 2 pencils, large pink erasers, colored pencils, glue sticks, lunch bags or boxes and backpacks.

Lovejoy Health Center is located at 7 School Street in Albion. For more information, call (207) 437-9388 or visit [LovejoyCHC.org](http://LovejoyCHC.org).

Each year the second week in August is dedicated to celebrating the services and contributions of community health centers. This year's theme is *America's Health Centers: Celebrating Our Legacy, Shaping Our Future*. National Health Center Week showcases the importance of these facilities and the impact they have on their communities, providing access to affordable, high quality, cost effective health care to medically vulnerable and underserved people throughout the United States.
