## **Multiple Sclerosis Self-Help Group at Madison Area Health Center**

MADISON – Madison Area Health Center is pleased to host a self-help group for people living with multiple sclerosis, their family, friends, and care partners. The group meets on the third Wednesday of each month from 5:00 to 6:30 PM at the health center.

The self-help group is facilitated by people affected by multiple sclerosis and is affiliated with the Greater New England Chapter of the National Multiple Sclerosis Society.

Participants are connected with information and support, as well as strategies for managing multiple sclerosis. Besides sharing the tough realities of living with the disease, participants also share good times, laughter and experiences in a positive, upbeat setting.
