FOR IMMEDIATE RELEASE

Mt. Abram Regional Health Center to offer a new service to patients

KINGFIELD – Jayne Britton is a Psychiatric Mental Health Nurse Practitioner who will begin providing adult psychiatric medication management services at Mt. Abram Regional Health Center this November. She will coordinate with Shannon Munro, FNP, Velma Evans, LCSW and Cynthia Robertson, MD at the health center to diagnose, recommend medications, deliver related education, and perform routine monitoring. Patients at the health center will be able to connect with Britton via a secure video conferencing system, instead of having to travel outside of Kingfield to access the service.

Jayne Britton, PMHNP

Britton joined Sweetser in 2010 and will be providing the telemedicine service through a formal contract between HealthReach and Sweetser. Sweetser has been offering behavioral healthcare for Maine children, adults and families since 1828.

Britton obtained an undergraduate degree in nursing from the University of Southern Maine in 1983 and a master's degree as an Adult Psychiatric Nurse Practitioner/Clinical Nurse Specialist in 2009.

Mt. Abram Regional Health Center is part of HealthReach Community Health Centers, a group of eleven Federally Qualified Health Centers in Central and Western Maine. Dedicated providers deliver high quality medical and behavioral health care to citizens in over 80 rural communities. To ensure access for everyone, HealthReach accepts Medicare, MaineCare and major insurances. In addition, an Affordable Care Program is available to uninsured and underinsured residents as well as assistance with applications for programs that help with the cost of health care and medications including the Health Insurance Marketplace. A private, non-profit celebrating a 40-year history, HealthReach is funded by patient fees, grants and individual donations.
