## **Mt. Abram Regional Health Center to hold Food Drive**

KINGFIELD - In an effort to support patients and members of the community, Mt. Abram Regional Health Center will hold a Thanksgiving Food Drive from October 27 to November 24.

People are encouraged to bring in nonperishable food items or cash donations to the health center. Staff members will then distribute to individuals and families who are struggling to keep food on the table.

According to Feeding America, the nation's leading domestic hunger-relief charity, Franklin County had the second highest number of citizens suffering from food insecurity in Maine as of 2012. The numbers have not improved. Please consider a donation to help another family in your community.
