HealthReach announces Open House during Kingfield Days

Kingfield – Mt. Abram Health Center is excited to welcome the community to our Open House. As part of the annual Kingfield Days community celebration, the Mt. Abram Open House will take place on Friday, July 21, from 1-3pm at Mt. Abram Health Center (25 Depot Street, Kingfield).

Our open house will be a chance for everyone in the area to come see recent upgrades to our facility. FREE barbecue will be available to snack on, and your local community health center staff will be on hand to chat!

Since its establishment in 1986, Mt. Abram Regional Health Center has been located in a historic Kingfield building – once home to a thriving family-owned grocery and general store. HealthReach is excited to see the latest updates to the building maximize the capacity and usefulness of this important community hub. Today, the practice serves more patients than ever before. As both stewards of and servants to the community, HealthReach reaffirms its commitment to the people of Kingfield and nearby towns with this investment in our recent renovations.

If you have not yet made it in, please join us at the Mt. Abram Health Center Open House to see the results of our renovations for yourself. We look forward to being *here for you* – for years to come!

Mt. Abram Regional Health Center, founded in 1986, is a part of HealthReach Community Health Centers, a Federally Qualified Health Center consisting of twelve community health centers located across Central and Western Maine. Dedicated clinicians deliver high-quality healthcare – inclusive of behavioral health and dental services – to citizens from 9 of Maine's 16 counties. To ensure access for everyone, HealthReach accepts Medicare, MaineCare, and major insurance providers. In addition, an Affordable Care Program is available to both uninsured and underinsured residents. Assistance is available for applications to programs that help with the cost of your healthcare and medications, including Maine's Health Insurance Marketplace.

A private non-profit with a 48-year history, HealthReach is funded by patient fees, grants, and by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) as part of an award totaling \$4,815,606 with 82.2% financed by non-governmental sources.
