FOR IMMEDIATE RELEASE

Strong Area Health Center to offer Kids' Flu Clinic **Free flu vaccinations for kids age 4 to 18 while supplies last**

STRONG –This November, Strong Area Health Center will hold a kids' flu clinic. Since the MSAD #58 school system will not provide vaccines this year, the health center decided to offer this important service for kids in the community.

On Tuesday, November 10, from 3:00 PM to 6:00 PM, Strong Area Health Center will provide flu shots for kids age four to 18. Vaccines are free, as long as a parent or guardian is present to sign a consent form. Insurance will not be billed. Shots will be given on a first come, first served basis, while supplies last.

Strong Area Health Center is located at 177 North Main Street, Strong and can be contacted by calling (207) 684-4010.

Strong Area Health Center is part of HealthReach Community Health Centers, a group of eleven Federally Qualified Health Centers in Central and Western Maine. Dedicated providers deliver high quality medical and behavioral health care to citizens in over 80 rural communities. To ensure access for everyone, HealthReach accepts Medicare, MaineCare and major insurances. In addition, an Affordable Care Program is available to uninsured and underinsured residents as well as assistance with applications for programs that help with the cost of health care and medications including the Health Insurance Marketplace. A private, non-profit celebrating a 40-year history, HealthReach is funded by patient fees, grants and individual donations.
